2011 GOLF MEMBERSHIPS

Greetings,

With the implementation of the Harmonized Sales Tax (HST) earlier this year many of you have already noticed the resulting increase to many services such as Green Fees and Power cart rentals to name but a few. As most of you are already aware, the HST also applies to Golf memberships.

As this increase is already creating an additional cost to you, the consumer, we are pleased to announce that the Membership Fees for 2011 will only be increased by very small amount. This increase is in the range of approximately \$5.00 per person and is only being done to adjust our membership fees to even dollar amounts and create a more uniform fee structure.

For new members who purchase a full membership, we are once again pleased to offer free golf for the rest of the 2010 season.

All golfers who purchase full memberships prior to 17 December 2010 will receive their choice of the following:

4 Green Fee Passes

Or

Free Locker and Club Storage Combo

Or

10 Bags of Range Balls

Please note that these incentives are offered for the 2011 season and are for Full memberships only. Game packages are not eligible for this offer.

As always we continue to offer our very flexible payment plan which will allow you to spread your payments out over up to as many as 11 Months*

For more information call the GG&CC Office at 613-546-4952 ext 61

* Payment plans must be completed by the end of July 2011 and take approximately 30 days to set up.
