GOLF & CURLING CLUB

Fielding's Tire and Automotive Services proudly present the 2009 Ike Bonenfant Senior Men's Field Day "THE IKE"

Once again, a great success with 135 golfers participating. Apart from our club members, "The IKE" attracted golfers from Cataraqui G&CC, Amherstview, Trillium Wood, Inverary, Rivendell, Napanee, Trenton, Brockville and the Hylands (Ottawa)

Our gracious sponsor, Bill Fielding of "Fielding's Tire and Automotive Services" continues to support the tournament with his prize donations and his golf participation. Many thanks, Bill.

The overall feedback from the golfers was that the course was in terrific condition. A great job Dave Erb and the grounds crew.

Once again Charlie's meal was a big hit

There are a number of members who donated their time, expertise and effort to make this tournament a great success

My thanks to Joe Yeoman who spent countless hours entering registration data and for being the chief scorer.

On tournament day Joe was assisted by Ted Burgess at scoring central. Ted once again assisted me at the prize distribution. Thanks also to Ron Gray, Bob Browne, Shane Gordon, Ed Johnson and Ken Deveau.

Our prize table was first class. Thanks to James for his setting up and thanks to Jeff and Kelly for their overall assistance.

I would be remiss if I did not mention the help from the Pro Shop team and in particular the eager assistance of Andrew Malinowski for whom no request was too much.

My apologies if I have missed other volunteers
