

Men's Night 2012 Information Sheet

Men's Night will take place each Thursday from 19 Apr to 25 Oct 2011 (subject to change).

All Men's Night participants shall register and pay \$5.00 in the Pro Shop prior to commencing their game. It is the participant's responsibility to ensure that their payment is properly recorded against their name on the sign-in sheet.

Tee Times

Designated tee times have been reserved for Men's Night use:

1300-1452 hrs– Nine or 18-Hole Play

1700 hrs – Nine Hole Shotgun Start on the designated Men's Night course.

Tee times, or starting holes, for these designated time slots may be reserved in the Pro Shop starting the Thursday prior. Participants are also permitted to play at any other time during the day; however they must use normal tee time booking system.

Score Card Submission

All participants are to legibly record their full name and points for each hole on a score card and submit it to the Pro Shop or Men's Night coordinators before 1915 hrs.

The Games

Most Men's Night Nightly Games will be Flighted competitions using a modified Stableford system. In addition to this, there will be three individual hole competitions, a Skins competition and a 50/50 draw each night.

Flight Assignments

There will be four Flights: A, B, C and D. The Goal Point Score ranges for each flight will be decided by the committee and adjusted periodically over the course of the season. The goal is to do this every 5 weeks. However, the committee reserves the right to adjust the FLIGHT of an individual player at any time, without notice.

The Initial Flight assignment for each player will be based on the currently established Flight Ranges and Initial Goal Point Score.

Goal Point Score Calculation

The GOAL POINT SCORE is an assigned target score based on play during Mens' Night.

The INITIAL value for each participant's GOAL POINT SCORE will be determined as follows (Subject to committee review):

- 1) Handicap: $(36 - \text{Handicap})/2$ (rounded up), verified
- 2) No Handicap, but 5+ Nights previous Year: The Average Point Score from previous Year
- 3) No Handicap and no previous participation: 18

After this, the GOAL POINT SCORE will be based on a player's participation and performance during Men's Night. The algorithm used (Subject to change by Committee) is as follows:

- Weeks 2-5 – Players w/ Handicap or 5+ Nights Previous Year - the higher of Initial GPS and minimum Flight range
 - Players w/ No Handicap - the higher of MAX GPS attained and Initial GPS
- Weeks 6+ – the higher of the average of the last 5 scores submitted and the minimum Flight range

The committee reserves the right to adjust the an individual player's GPS at any time, without notice.

Modified Stableford Nightly Games

Player's compete against other players in their assigned flight based on difference between their TOTAL POINT SCORE (TPS) and their GOAL POINT SCORE (GPS).

The TOTAL POINT SCORE is the sum of Points made on the nine holes designated for Men's Night that day. The points awarded on each hole will be as follows:

- 1 point – Bogey
- 2 points – Par
- 4 Points – Eagle
- 6 Points – Double Eagle

Individual Hole Competitions

The individual hole competitions: Closest to the Pin on the Par 3s; and a Closest To The Line or a Longest Putt on the Green on a designated hole (See Schedule).

Skins Game

There will be two Skins Games: Flights A and B combined; and Flights C and D combined.
